

DOUG KARET

Doug is an experienced litigation and contracts attorney. With over 25 years in construction and construction law, Doug regularly represents general contractors, subcontractors, owners, and design professionals in all aspects of construction and development, including litigation and dispute resolution. Doug has a master's degree in construction engineering and management and has also been an adjunct professor in construction law at the University of Colorado. Doug also represents clients in a variety of litigation and disputes, including business disputes, land and real estate, and contracts.

Doug has a range of legal experience, including working in some of the best firms in Alaska and western states, as well as being a solo practitioner. This diverse background gives Doug valuable perspective for all manner of legal issues – big and small.
